

MAKING STRIDES Against Breast Cancer

Sprinklermatic has officially launched our annual support of Breast Cancer Awareness Month which we honor by raising awareness, raising funds and encouraging others to join our efforts.

For the entire month of October, over 395 Sprinklermatic Team Members throughout the State of Florida wear our bright pink sPrINKlermatic tshirts as a family of survivors, caregivers, and men and women from all walks of life who are passionate about saving lives from breast cancer.

Celebrate our shared efforts, inspire each other to carry on and take comfort in the knowledge that because of your dedication, no one is alone.

Visit our Making Strides page to join our team, donate and fundraise with us!
