

# MAKING STRIDES AGAINST BREAST CANCER 2022

## Join in the Effort with Team Sprinklermatic

Sprinklermatic has officially launched our annual Making Strides Against Breast Cancer effort which we honor by raising awareness, fundraising, joining walks and encouraging others to join in our efforts.

For the entire month of October, Sprinklermatic Team Members throughout the State of Florida wear our bright pink Sprinklermatic t-shirts as a family of survivors, caregivers, and men and women from all walks of life who are passionate about saving lives from breast cancer.

Follow #SprinklermaticPink on social media, celebrate our shared efforts, inspire others to join our team and know that together, we can make a difference.

*Making Efforts*

Join our Team, Donate & Fundraise with us!
