

Fuel the Fight Against Breast Cancer with Team Sprinklermatic

Sprinklermatic is officially geared up for Breast Cancer Awareness Month which we honor by participating in the American Cancer Society's annual Making Strides Against Breast Cancer campaign which encourages raising awareness, participating in local walks with family and friends, fundraising, and inviting others to join in our efforts.

For the entire month of October, Sprinklermatic Team Members throughout Florida wear our bright pink Sprinklermatic t-shirts as a family of survivors, caregivers, and men and women from all walks of life who are truly passionate about saving lives.
